Bulldog News

THIRD GRADE NEWS: Mrs. Yoon & Ms. Fenton

We can't believe how fast September is flying by! A thank you to all the parents who were able to join us for Back to School Night yesterday. If you were not able to come, please reach out to us with any questions you may have. Our third graders have spent the first few weeks of school learning all of the classroom procedures and getting acclimated to our routines. In Math, we are working on rounding, estimating, and adding and subtracting 3-digit numbers. In English/Language Arts, we are focusing on reading and writing with stamina and diving into fiction. Science has us learning all about life cycles. Students will have many engaging, hands-on activities in this unit. Please encourage your child to read nightly and practice their addition and subtraction facts often. We are excited for a wonderful year!

FOURTH GRADE NEWS: Mrs. Dinkjian and Ms. Mastellone

Welcome back! Everyone seems to be very excited about this upcoming school year. The students are adapting well to their increased responsibilities including, traveling to different room for various subjects. They are clearly enjoying being role models for the younger students in the building. We, the fourth grade teachers, have been and will continue to reinforce organizational skills, social awareness, study habits, and good behavior to ensure that each child has a positive and rewarding school year.
