KINDERGARTEN NEWS: Mrs. Romba

Welcome to Grant School, I hope your children have enjoyed their first week here. The kindergarten has been very busy making new friends and learning classroom rules. We have learned about the calendar, our birthdays, about our classroom mystery box, and a few songs already. Please ask your child about their day when they come home. I am sure they've told you about The Kissing Hand, our classroom aid Ms. Sam, and getting our very own Math books. Be sure to send a morning snack for your child even if they receive free/reduced lunch. If you send a payment for lunch or anything else please send it in an envelope or baggie with your child's name on it. Thank you for bringing in your supplies and family photos. Be sure you check your child's folder every day and return it to school the next day. Mark your calendars, Back to School Night is September 19th. They'll be more information to follow. Please remember to check the website, www.rpps.net and your emails for important updates. I look forward to a fun year!

FIRST GRADE NEWS: Mrs. Kelly

Welcome to First Grade! September is a busy month, filled with new twists on school routines as we become a team in our new class. We will spend a lot of time on those routines this month to allow our year to run smoothly. Our theme for the year is, "The Power of YET!" We are reviewing many things that we already know, looking at what we plan to learn, and thinking of things we may not have learned yet! This is a great time for goal setting; what is something you would like to learn this year don't know yet? We are working on basic addition in math, reviewing sounds and sight words (reading and writing them) in ELA, and we are learning about communities. We are looking forward to a great 2019-2020 school year!

SECOND GRADE NEWS: Mrs. Spina

Second Grade had a great start to the 2019-2020 school year. We have been sharing stories about our summer and discovering all the wonderful learning experiences that we will share this year. We are looking forward to a meaningful, productive, and successful year. Welcome back to School!
