## THIRD GRADE NEWS: Mrs. Yoon and Ms. Leon

We had a great first month of school! In addition to some new students, we are also excited to have our new third-grade teacher, Ms. Leon. Also, we are grateful to have Ms. Acevedo in Mrs. Yoon's class. We have been busy learning the new curriculums and the new class routines. We would like to thank our parents for all the support from getting the school supplies to attending the Back to School Night! We appreciate your cooperation and partnership to make your child school year another success! As part of our districtwide SEL curriculum, we have monthly themes. This month's theme is 'Responsibility,' and it is a great attribute to discuss and focus on to start the school year. As important reminders, please have your child bring a water bottle to school on a daily basis. Also, it is important that you frequently check your child's Take-Home folder, Student Planner, and Google Classroom for any missing assignments. We wish you all another great school year!

Welcome to Fourth Grade. My name is Ms. Mastellone, and I will be your child’s math, social studies, and science teacher. I look forward to getting to know your child and you as we venture through the curriculum together. To get this year off to a great start, I would like to share with you some ways to help your child have a successful experience in fourth grade.

1. Have a positive attitude toward school.
2. Make sure your child is completing his/her homework every night.
3. Ask your child what they are learning about in class.
4. Study with your child.
5. Have your child teach you something they are learning in school.
6. Keep in touch with me about how your child is doing in class.

I hope these suggestions make you feel more confident and equipped to help your child have the best school year yet.
