A cooperative school & home newsletter for the Grant School community.

KINDERGARTEN NEWS: Mrs. Romba

October is here! To get into the season, we each colored a picture and when we put all the pictures together, it made one big spooky haunted house! Also, make sure to check out our pumpkin patch. We have continued working on our daily routines and are getting much better at it! We create an animal craft for the letters in the alphabet and play an I Spy game for the beginning sound. In math, we are practicing how to count and write our numbers. We are also practicing how to write uppercase and lowercase letters. During the day, students receive Class Dojo points for their behavior. When they get 10 points they will receive a prize from the treasure box. We will continue to have lots of autumn fun!

FIRST GRADE NEWS: Mrs. Kelly & Ms. Walker

October has brought us cooler weather, falling leaves, and lots of excitement for learning. At school, our theme of the month is Respect. We are celebrated with themes during the Week of Respect. We are learning what respect means, how it looks, and what it feels like when we are treated respectfully. In math, we continue to review basic addition and subtraction. We have been learning and practicing strategies to solve equations to 10. We are expanding this knowledge by working on addition facts to twenty. In ELA, we have been enjoying hearing stories as we explore the themes of community, rhyming, friendship, and family. Students are reviewing sight words and word families; these are a key to both reading and writing. In social studies we are learning about communities, rules, laws, and government. Our series, Studies Weekly, outlines the basic structure of democracy, along with helping us to understand the vocabulary we need to understand in the world around us. In science, we are noticing the patterns that exist around us that come from the sun, moon, and the Earth, and their movements. We see how this affects our weather and seasons. At home, students should be reading (and logging) daily, along with practicing their addition and subtraction facts. Routines at home should include finishing homework, bedtime, breakfast, and getting ready for school. Please reach out with your questions or concerns, we are here to help.

PTA Information

10/12 Pie Sale fundraiser. orders due 11/4.
