KINDERGARTEN NEWS: Mrs. Romba

Fall hit and there was much to talk about with election season. We had a mock election and the kids elected Duck as President and we also had a vote on our favorite type of apple. The kindergarten had our own pumpkin patch, thank you to the PTA for buying them for us. We discussed pumpkins and apples, where they grow, do they float, and measured how many cubes high they are. No one was able to recognize our disguised turkeys, the children did a great job disguising them so they would not be cooked. We are identifying numbers 1-10 in different ways and we are beginning to draw and write sentences to match our words. We have begun centers daily to work on many skills and have guided reading groups. Grant School collected donations for the veterans and our flag display outside. With the winter holidays coming up, we'd like to wish all of our families a safe, healthy, and happy Holiday Season.

FIRST GRADE NEWS: Mrs. Kelly & Ms. Walker

November was the month of Gratitude. We took time to think of what we appreciate in the world around us. We are learning practices to show gratitude beyond Thanksgiving. In math, we continue to learn strategies for addition and subtraction, using our facts to 20. Keep practicing your addition and subtraction facts to 20 daily. In ELA, we have been enjoying hearing stories as we explore the themes of author studies, counting in books, fiction and nonfiction. Students are reviewing sight words; these are a key to both reading and writing. Social studies has us focusing on learning about government services, being good citizens, the documents that helped to form our country. In science, we continue to learn about the sun, moon, and the Earth, and their movements, and the patterns that they create including the weather and seasons. At home, students should be reading daily, along with practicing their addition and subtraction facts. Helpful home routines should include finishing homework, bedtime, breakfast, and getting ready for school. Please reach out with your questions or concerns, we are here to help.
