

Bulldog News

@ Grant Elementary School

May 25, 2023

A cooperative school & home newsletter for the Grant School community.

FIFTH GRADE NEWS: Ms. Fenton

As we head toward the end of the school year, fifth graders are exploring new books through our Genre Study. We will be exploring books that students may not normally choose themselves; such as fairy tales, graphic novels, historical fiction, and more! In writing, we are working on our final style of the year: opinion pieces. Students are working on a variety of topics like what pet they would get and the best type of candy. Keep reading!

FIFTH GRADE NEWS: Mrs. Alberque

Now that we've completed state testing, the fifth graders will begin a unit on interactions within the Earth, Sun, and Moon. We are also looking forward to our field trip to the Meadowlands Environmental Center on June 14th. The sixth graders are starting a lesson on Tectonic Plates in which they will understand how earthquakes happen and landforms are created. We will finish the year with a project on extreme weather.
